Form I/04: Request for reconnection of a supply which has been temporarily disconnected

To Wholesaler

.....

.....

.....

This form should be used where temporary disconnections are to be reconnected under Processes, I8 to I12 of the Operational Terms.

Please note that where a previous supply was permanently disconnected and a new supply or supplies is required, the new connections processes should be followed.

- Request for reconnection by the Wholesaler
- Notice of planned reconnection by an Accredited Entity (prior to reconnection)
- Notice following reconnection by an Accredited Entity

The form is divided into sections as follows

Number	Section
1.	Retailer details
2.	Supply Point details
3.	Disconnection details
4.	Reconnection details
5.	Update following reconnection by an Accredited Entity
6.	Non-Household Customer contact
7.	Declaration

If the Wholesaler is to perform the disconnection, all sections are mandatory except section 6. If an Accredited Entity is to perform the disconnection then information marked with an asterisk (*) is mandatory for initial submission, and section 6 is mandatory following disconnection (whether this is on first or subsequent submission).

Mandatory means that the Retailer must provide the requested information wherever it applies to the particular request. If a piece of information does not exist or is not applicable in the circumstances, the Retailer must note this and, where relevant, provide a reason why it is not applicable.
